Civil Service Reform, hailed with joy by the public, has established an office holding aristocracy in the United States. In Chicago alone, Civil Service employees have forty associations of their own to pry additional coin from the taxpayers. The man who works out his life for his family in any private vocation can starve to death in his old age. But a fellow who enjoys a fat salary on a public payroll all of his life, rests assured of a pension paid by his fellow citizens when he gets through.

The men behind the automatic gas shut-off graft are again at work boosting their scheme.

The Home Brewery is not only Chicago's youngest brewery, but it is one of her most successful. No brewery in the United States ever achieved success in such a short time as the Home Brewery. Its beer already has a reputation among the lovers of good beer as being par excellence. The Home Brewery also bottles its beer and a case can be had by calling up Humboldt 2810.—Advertisement.
